

*Onondaga Citizens League Anthem*  
*30th Anniversary Edition*

When your civitas is sagging with fatigue (cha cha cha)  
Call the Onondaga Citizens League (cha cha cha).  
We'll be there in a minute with studies in hand.  
If some ideas don't work, maybe some others can.  
When we need a new study we'll begin the beguine.  
We're always ready to convene.

We're not into subterfuge or intrigue (no no no)  
At the Onondaga Citizens League (yeah yeah yeah)  
We're regular people—just like the rest.  
Studying issues is what we like best.  
We're civically bound, if you know what I mean.  
We're always ready to convene.

So if you're out of fresh ideas, just yell (hey hey hey)  
For the friendly folks at OCL.  
For the past 30 years you know that you've had a friend  
Someone in the clinch on whom you can depend  
We'll be there at your side from beginning to end  
Right up until we recommend

'Cause we're the Onondaga Citizens League. (ooh la la!)
